

# TCT WorkShops

**TCT ON TOUR WORKSHOPS** expand your students' appreciation for theatre through drama, music and dance with lessons that are aligned with your curriculum. Our WorkShops bring professional teaching artists directly into YOUR classroom. All WorkShops are available all year round for grade levels PreK-6. Residencies are available for grade levels PreK-12.

## THE DAY SERIES

### FALL DAY

45-minute Interactive WorkShop, Grades: PreK-2

Appreciate the joy, colors, and beauty of autumn in this companion piece to "Snow Day," "Spring Day" and "Summer Day." Join a cast of friendly animals as they get ready for the approaching winter! Along the way, your students will experience changes in nature and the cycles of human emotions, and learn how important it is to "be prepared."

*Thematic Connections: Science/Weather, Geography, Social Skills, Motor Skills, Critical Thinking, Cooperative Learning, Exploring Differences in Others, Arts Integration, Imagination, Kindness, Nature*

### SNOW DAY

45-minute Interactive WorkShop, Grades: PreK-2

Join us on a journey through a magical winter forest as we discover enchanting creatures, exciting new lands and a pair of identical snowflakes. Using puppetry and imagination this interactive fun adventure will be one to remember!

*Thematic Connections: Bloom's Taxonomy, Public Speaking, Geography, Music, Social Skills, Critical Thinking, Exploring Differences in Others, Science, Self-Esteem, Diversity, Growth and Change, Imagination, Kindness, Nature*

### SPRING DAY

45-minute Interactive WorkShop, Grades: PreK-2

Spring has arrived, and with the season comes amazing changes and new discoveries! Take a trip through an enchanted meadow with our Caterpillar friend Persephone, as she explores the transformations around and within her.

*Thematic Connections: Bloom's Taxonomy, Science/Weather, Critical Thinking, Exploring Differences Within, Self-Esteem, Music, Arts Integration, Cooperative Learning, Growth and Change, Imagination, Kindness, Nature, Possibilities*

### SUMMER DAY

45-minute Interactive WorkShop, Grades: K-5

Where did all the bees go? There is a shortage of honey and Queen Bee needs to find all her workers. Journey with us through the summer months and discover the reason why all the bees are disappearing. Meet Andy the Ant, Ida the Spider and Hooty the Owl along the way to Aunt Jenny's Organic Farm.

*Thematic Connections: STEAM Education (Science, Technology, Engineering, Arts, Math), Art, Arts Integration, Critical Thinking, Exploring Differences in Others, Music, Nature, Science*

### RECYCLING DAY

45-minute Interactive WorkShop, Grades: K-5

Recycling is one way to have a positive impact on the world in which we live. It's important to both the natural environment and us. Follow the journey of a simple grocery bag as it ends up hundreds of thousands of miles away from home in this hilarious workshop about conservation. We must act fast as the amount of waste we create is increasing all the time!

*Thematic Connections: STEAM Education (Science, Technology, Engineering, Arts, Math), Ecology, Geography, Science, Arts Integration, Critical Thinking, Music, Nature*

### CURRICULUM BASED

### MY PLATE

**Presented by Mercy Health Foundation**

45-minute Interactive WorkShop, Grades: PreK-4

Learn healthy habits with Chef Bon Appetit as he teaches rambunctious Chip the importance of eating right, and humdrum Tofutti the value of creative exercise. In this interactive WorkShop, theater meets nutrition as we encourage students to think "outside the box."

*Thematic Connections: Music, Motor Skills, Cooperative Learning, Math, Science, Nutrition*

### I AM STRONG

45-minute Interactive WorkShop, Grades: PreK-4

Using creative dramatic role play, participants will explore strategies that can resolve and even prevent bullying situations. A Teaching Artist from TCT will facilitate using improvisational games and activities that involve aggressive, passive, and assertive behavior and when it's appropriate to use each in any given situation. Developed in collaboration with Beech Acres Parenting Center.

*Thematic Connections: Bullying, Social Skills, Kindness, Critical Thinking, Arts Integration, Cross-Curricular, Cooperative Learning, Fairness, Growth and Change, Responsibility, Strength of Character*

### ONCE UPON A TIME

45-minute Interactive WorkShop, Grades: 2-6

This fun and interactive WorkShop will bring new life to classic fairy tales. Students will gain a historical context, be introduced to primary thematic elements, and have the opportunity to bring some of their favorite fairy tales to life.

*Thematic Connections: History, Literature, Arts Integration, Imagination, Reading, Writing*

**TCT ON TOUR WORKSHOP RESIDENCIES** bring professional Teaching Artists into your classroom to use the performing arts as a medium to expand your students' learning capacity, along with improving social and behavioral skills. The following Residencies can be customized to your curriculum needs and tailored to fit the necessary time table for your program. Residencies available for grades PreK-12.

## RESIDENCIES

### **A CLASS ACT**

Multiple-visit Residency: 6-8 or 9-12 weeks, Grades K-12

Using dramatic play as a tool to assist in the development of self-esteem, this Residency centers on theater games and word play, building concentration, physicality, vocal projection, articulation, poise, coordination and multi-tasking. A cumulative final performance is optional and will demonstrate dramatic skills learned from the program.

*Thematic Connections: Cross-Curricular, Social Skills, Critical Thinking, Arts Integration*

### **FROM THE PAGE TO THE STAGE: PRE-K PLAY**

Multiple-visit Residency: 6-8 or 9-12 weeks, Grades PreK-2

Have one of our highly creative Teaching Artists come to your class to facilitate a mini-play based on one of three classic fairy tales: *The Little Red Hen*, *Goldilocks and The Three Bears*, or *Mary and Her Little Lambs*. By giving students an active role in developing the play, this Residency is specifically designed to encourage confidence in reading, writing and sharing ideas with others.

*Thematic Connections: Fairy Tales, Reading, Writing, Public Speaking, Self-Esteem, Music, Art, Performance, Imagination, Responsibility*

### **FROM THE PAGE TO THE STAGE: CENTER STAGE**

Multiple-visit Residency: 6-8 or 9-12 weeks, Grades 3-12

There's no better way to absorb fully the books you read in class than to take words from the page to the stage! In this multi-visit Residency, our Teaching Artist will help facilitate deeper understanding of state required reading by bringing characters to life as your class writes, directs, and acts out stories they will NEVER forget.

*Thematic Connections: Literature, Writing, Reading, Arts Integration, Dedication, Exploring Differences Within, Growth and Change, Imagination, Kindness, Strength of Character, Cooperative Learning*
